

If you are interested in joining an exciting company within one of Europe's largest industries, then a career with SF Engineering may be right for you. As one of Ireland's leading manufacturers of customised products and solutions for the food industry, a career at SF is beyond what you may expect. At SF we realise that our employees are one of the keys to our success. We look for individuals who share our passion to succeed. As a leader in our field, we are growing rapidly and have a number of exciting positions available at our Sligo site in the West of Ireland, including a **Stainless-Steel Assembler**

Role:

- Assembly of products
- Interpreting 3D SolidWorks drawings
- Conducting personal quality checks to ensure product meets with SF and customer specifications
- Skilled operation of hand tools (drill/grinder) to ensure a high-quality finish is achieved
- Making a positive contribution to maintaining a workplace that is safe and tidy at all times
- Assisting in site installations at Customer premises weekdays and/or weekends when required
- Liaising with other areas of the SF business to achieve operational efficiency

Person:

- Experience in the food industry an advantage
- Proficient in the operation of hand tools (drill/grinder)
- Ability to read 3D SolidWorks drawings essential
- FLT experience an advantage
- Safe Pass ticket
- Manual Handling ticket
- Abrasive Wheel ticket

Pay rate: Dependant on experience

Job Type: Full-time
